

SPECIFICATIONS FOR ONE (1) SEVEN PASSENGER VAN

Lake County is seeking quotes for the purchase of one (1) seven passenger van (Ford Transit Connect LWB Wagon or equivalent) per these specifications for the Information Technology Department. Equivalency shall be solely determined by the County.

The specifications and minimum requirements are listed below. The vehicle shall be new, of current production, and must carry the manufacturer's standard guarantee against defective parts and/or workmanship. For each item listed below, the vendor shall circle "yes" or "no" to indicate if the proposed vehicle fully meets the requirement. These specifications shall be printed and submitted with the quote. All exceptions shall be of equal or greater precision equipment and shall be fully documented.

Bidders who offer a vehicle which fails to meet the requirements may be considered non-responsive unless, at the sole determination of the County, the deviation is considered minor and will not affect the functionality of the vehicle.

The equipment shall be manufactured so as to be in strict conformance with all standards applied by any Federal and State regulations.

Delivery shall be made within ninety (90) days after the issuance of the purchase order. The equipment shall be delivered to the Lake County Fleet Division, 20423 Independence Boulevard, Groveland, Florida, 34736, with at least one (1) week's advance notice to the County. The delivery shall be FOB destination. Title to the equipment shall not pass to the County until the unit has been delivered to the designated location and has been inspected and accepted by the County's Fleet Manager or designee.
